Dear Parents/Caregivers,

We are pleased to invite "Sports In Schools" back to Blackwell Public School to implement a full Gymnastics program across the whole school. This program is being **partially funded through an Australian Government grant**. In 2017, Early Stage 1 and Stage 1 were fortunate to experience a 5 week program. Feedback was excellent, where all students were engaged. The specialist equipment used is not available at school and includes bars and gymnastics rings at suitable heights for the students. This program was discussed at P&C where approval was given by members to go ahead with this program.

Gymnastics is a mandatory component of the school curriculum and "Sports in Schools" gives Blackwell students an opportunity to have specialist teachers come in and teach fundamental gymnastic skills. We would like each child to participate in this worthwhile program for 1 session per week over a 10 week term. Early Stage 1 and Stage 1 will participate in Term 3. It is expected that all students attend, however students will not participate in the program if there is no payment. Please wear sport shoes on the days.

The cost per student is \$ 20.00 for the 10 week program. This is only **\$2.00 per week** for the program. The program will run on Monday, as in Term 2.

Financial assistance is available for families. Please contact the office if this is required. Please note that in case of absence, the session cost of \$2.00 is not refundable.

Please return the signed permission note, with payment, to the school office **by Friday, 6th July 2018**.
