LOST PROPERTY

If your child has misplaced something at school, please check the black lost property box in the kindergarten activity area or the front office.

To aid in the retrieval of your child's property please **include a name on each item** they bring to school, including their library bags.

Continuing to encourage your child to remember to bring home the things they have brought to school will help them as they develop their independence. Please also check to make sure they haven't taken home another child's property by mistake.
