## Reading Eggs – 2017

Dear Parents/Caregiver

As you know, the Kindergarten teachers greatly value the use of the online Reading Eggs program. We believe that it makes learning to read interesting and engaging for our students, with great reading games and activities. The students love the games, songs, golden eggs and other rewards which really motivate them to keep exploring and learning.

We love the Reading Eggs program so much that we want students to be able to use it both at school and at home. It allows each and every student to work at their own level, ensuring that students feel proud of their reading.

The cost to use Reading Eggs at our school is \$25 per student. Schools receive an 80% discount on the Home Licence cost. This year, we are asking parents to help with the cost of the program, paying only \$10. The school is subsidising this worthwhile program and will pay \$15 towards the cost of each student.

Once payment has been received, your child's teacher will be able to issue individual logins for your child to use Reading Eggs at home.

---

### **READING EGGS 2017**

Please accept my payment of \$10 for my child \_\_\_\_\_

of class \_\_\_\_\_ to be issued with their own individual login for the online Reading Eggs program. I understand that this program has the permission of the Principal.
