Jollybops Science Show/Outstanding Invoices

Please ensure that all invoices have been paid to ensure that your child does not miss out on any upcoming incursions. Our next incursion will be held on Thursday, 15th June - Jollybops Science Show.

Reports and Interviews

Your child's school report will be going home Wednesday, 14th June 2017. Class interviews are being held from Monday, 19th June (Week 9). Please ensure you book online to be able to see your child's teacher. Go to <https://www.schoolinterviews.com.au/> and use the code **gnvc9** to book with class teachers.

Bugs About

Our incursion "Bugs About" has been organised for week 9. Year 2 classes will be involved on Tuesday, 20th June and Year 1 on Thursday, 22nd June. Each class will be involved for approximately one hour. **The cost of this incursion is \$8.** (It is not part of the school pack as the incursions included in the school pack are for K-6 whole school incursions, as this incursion is just for our stage it does incur an additional cost). This incursion ties in with our science unit "Schoolyard Safari" and our information report writing in English. **Money is due by Wednesday, 14th June.**

Reminders

- If your child has a day off school a note is required, by law as soon as they return to school. We have many unexplained absences at the moment.
- As the weather has cooled off more children are wearing jumpers. Please ensure they are labelled as they are more likely to be returned to their rightful owner. Thank you.

Introducing Mrs Witchard

Hi! I am a teacher and a parent at Blackwell. When my oldest boy was starting Kindergarten I personally went to every school in St Clair and met with the principal and had a school tour (even though I lived on the same street as this school and was in area for Blackwell). From the moment I stepped foot into Blackwell Public School I knew it was the place for my children. I also felt drawn to this school professionally. At the end of Jaxon's Kindergarten year (he is now in year 6) I applied for the Assistant Principal position, and I've never looked back! I feel privileged to work alongside some of the most passionate, caring, competent teachers I have come across in my career and am lucky to live and work in a community with such beautiful families and great kids!
