

Stage 2 Information

It's hard to believe it's already Term 4. The year has certainly been busy and there are still many more exciting things to come before the end of the term.

The ilearn@home and Speaking and Listening notes were sent home last week. Both these notes are accessible on the school website, if you have misplaced your copies. This is the last reminder that the project on 'Australian Sea Explorers' is due at the end of this week. There are many students from each class who haven't completed their project yet. This term the Reading Log goal is 40 nights. Well done to the students who achieved this goal last term.

The 5c coin race will be held in Week 5. Start collecting your 5c pieces and bringing them to class, with all money supporting our school. The coin race is held every 2 years and the winning infants and primary class will have a pizza lunch.

Peer Support lessons start next week. Each child is placed in a small group led by Stage 3 children. They will be participating in fun and interesting activities appealing to all age groups.

As the weather is becoming warmer, please ensure your child has a hat and water bottle each day. Also, double check the drink bottles as many of these have been leaking in bags recently. Stage 2 are also in great need of tissues. Sending in a box would be highly appreciated.
