

Stage 2 News

At the end of this week, students who have 10 or more points on their behaviour licence will receive an invitation to our Term 1 Privilege Day. Please find a copy of the invitation here for advanced warning.

Congratulations

You are invited to Stage 2's Privilege Day

WHEN: Thursday 12th April 2018

Stage 2 will be enjoying a movie to celebrate their good manners, good thinking and good learning displayed this term.

We will be watching 'The Incredibles' which is rated PG. The teachers have viewed the film and deem it suitable. If you have any concerns, please see your child's teacher.

Mufti clothes and a bucket hat (no thongs or singlet tops please) can be worn. The children are allowed to bring a blanket or pillow and a snack to eat. We are looking forward to a terrific day!

Gymnastics

A reminder that Stage 2 will be participating in a gymnastics program next term. It is a fantastic opportunity for students to be exposed to expert coaching at a low cost - \$20 for the term - \$2 per week for a 45minute lesson. Gymnastic skills are part of our PDHPE

syllabus and all students are encouraged to participate. If you have misplaced your note, please see our lovely office ladies for a replacement.

Term 1 Reading Goal

The Stage 2 teachers have been impressed by the number of students reaching the reading goal of 40 sessions for this term. To date a total of 70 students! Congratulations to –

S2A- Benjamin, Georgia, Tabasum, Atakan, Koby, Ayva, Savannah, Lacey

S2S- Chrislyn, Cooper H, Charlotte

Term 2 Speaking and Listening / iLearn @Home

At the beginning of next term your child will receive a new list of speaking and listening tasks for the term as well as an overview of things that they can focus on at home in other learning areas.

For Weeks 1 and 2 next term the students will be asked to present a holiday recount for their speaking task. Boys will be in Week 1 and girls in Week 2.

**WEEKS 1/2 - Holiday
recount**

What did you do in the
holidays? Remember to tell
when, who, where, why, what
happened and how you felt.
Your talk should be in an order
that makes sense.

TOPSTEPS – Tuesday, April 10th

We hope all of the Stage 2 students attending the TOPSTEPS courses at various local schools enjoy themselves. Remember your Good Manners, Good Thinking and Good Learning!

Wishing all our wonderful families a safe and relaxing holiday!

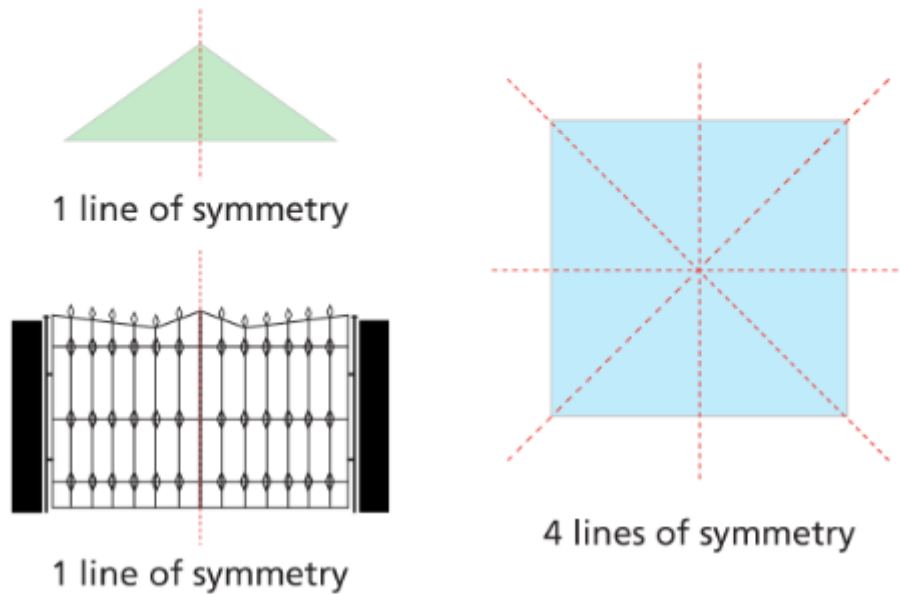

Stage 2 Teachers

What does maths look like in Stage 2?

line of symmetry

A line that divides a shape in half so that one half is the mirror image of the other. There can be more than one line of symmetry.

Example

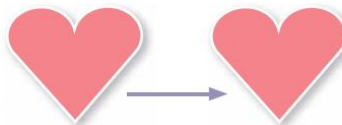

Flip, slides, turns or

Reflect, translates, rotates

When you **flip** an image you are creating a mirror image to create a **reflection** (you are turning it over).

When you **slide** an image you move the image across – you are creating a **translation**.

When you **turn** an image you are **rotating** it (usually by a given number of degrees or types of turn).
