

Stage 2 News

All children should be busily writing and practising their speech for the **Public Speaking Competition**. Remember the topics are –

Year 3 – If I was a character I'd be...

Year 4 – If I could rule the world...

Speeches need to be as close to 2 minutes as possible.

Over the last couple of weeks students have been able to present their speech in class as a practice. They will receive some feedback on how to improve. Students are to present their speeches in week 6 and 7.

Keep up your daily **reading** everyone. It is very important to set aside a quiet time each day to focus on your reading. Discuss with friends or parents your personal choices of texts for enjoyment. Why do you enjoy certain books? What is the author's purpose? Remember the **target for Term 3 is 50 logs**.

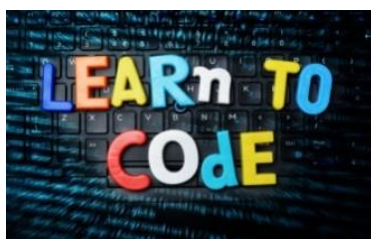

Outstanding Effort!

Congratulations to the following students who have reached our goal of 50 logs of reading in Term 3 –

S2A – Dzakirah C, Marisa H, Ashlea S

S2C – Fatima S, Micah C

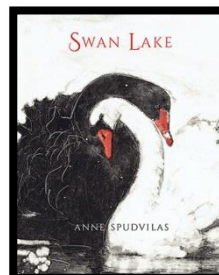

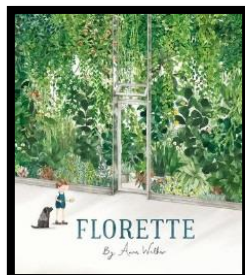

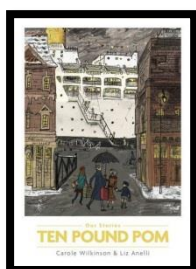

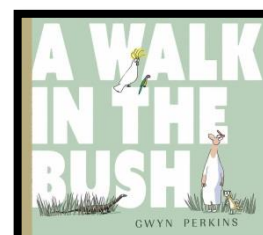

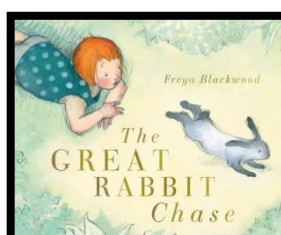

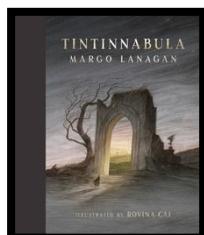

S2F – William O, Lily C

Students have enjoyed their first four sessions of **Scope IT**. They have been learning lots of valuable coding skills.

Book Forum

Students in Stage 2 have been enjoying studying a variety of shortlisted picture books by a variety of authors. This has coincided with Book Forum Week and to support their English unit this term.

Privilege Day

Stay tuned!

News of this term's privilege day will be announced in the coming weeks.
