All children should be busily writing and practising their speech for the Public Speaking Competition. Remember the topics are –

Year 3 – If I was a character I'd be...

Year 4 – If I could rule the world...

Speeches need to be as close to 2 minutes as possible.

Over the next four weeks students may present their speech as a practice. Their teacher will give them feedback on how to improve.

Keep up your daily **reading** everyone. It is very important to set aside a quiet time each day to focus on your reading. Discuss with friends or parents your personal choices of texts for enjoyment. Why do you enjoy certain books? What is the author's purpose? Remember the **target for Term 3 is 50 logs.**

Students have enjoyed their first two sessions of **Scope IT**. They have been learning lots of valuable coding skills. A reminder that next **Thursday, 23rd August** will be a make up lesson from week 1.

Mrs Coard will be taking leave from Tuesday, 21st August until Friday, 31st August. Mrs Mullins will be taking S2S for that period of time.
