There is also a competition running where students can write a poem, story, joke or a song about fruits or vegetables. Entries are due by Wednesday 19<sup>th</sup> September.

## Public Speaking Competition

This term, Stage 2 has been conducting their class Public Speaking Competition rounds. The students were asked to write a speech about “If I were a character who would I be...” Year 3 and “If I could rule the world...” Year 4, to present to their class. A selected group of students will go on to present their speech at a grade final this week. Congratulations to all the students who made an effort to prepare an interesting piece of work to present to their peers. Some students are yet to deliver their speech, which is disappointing, considering they have had 10 weeks to prepare.
