SCOPE IT

Our students have had a fantastic time learning about coding this term. Students have picked up some excellent skills and most can now code their own games, using a scratch account. Emma and Josh said that the Stage 3 students were very well behaved and showed tremendous skills in coding.

MINI FETE TOYS

In term 4 Year 6 run a mini fete. For prizes we use toys. These toys are usually the little toys you get from happy meals and other small unwanted items. Please when you are doing a clean out put them in a bag and send them in to Mr Woolard.

SPORTS, SPORTS AND MORE SPORTS

Next term we have a number of sporting events on for Stage 3 students to participate in. We have the Athletics carnival, The Wanderers Cup, The Greg Alexander Shield, Milo Cricket and a Basketball Gala Day. Lots of opportunities for our stage 3 students to give something a go. Notes for these events will be out soon.
