

Stage 3 - Term 3, Week 4

CONCERT

What a wonderful 3 nights of concerts. All stage 3 classes and teachers should be very proud of their efforts and performance. It was wonderful to see the different movies selected and the way teachers and students choreographed their routines.

Well done Stage 3 great effort.

HOMEWORK

Homework sheets will be sent home for this semester. Although homework is not compulsory, we do encourage our students to manage their time and complete some independent learning.

PUBLIC SPEAKING

A reminder that all students have the opportunity to participate in the Public Speaking competition. The topic is a FREE CHOICE. This is quite difficult for some but a few good tips to remember: Consider your audience, use humour, pick a topic that is an interest to you and others will enjoy listen to and rehearse your speech.

CAMP

Please pay any balances for camp. Year 5 will be going to Hill End on the last 3 days of this term. Medical notes and more information about what to pack will be sent home this week. If they can be returned to the class teacher completed in full as soon as possible.

MILO CRICKET and TOUCH FOOTBALL

Congratulations to our Stage 3 students who participated in the Cricket and Touch Football Gala days. They represented our school proudly and participated with enthusiasm. It was great to see Blackwell participating and having a great time.

Big thank you to Mr Samuels, Mrs Cummins and Mr Woolard for taking the teams.

DEBATING

Our debating teams were also successful in the latest rounds of debates against the STEPS schools. Students have 1 hour to prepare for a debate and this time Blackwell had to speak in front of an audience at Banks Public School. Congratulations to the team and to Mrs Anderson and Mrs Bulluss for their hard work.

SPELLING BEE

Congratulations to Chloe B. who won our Stage 3 Spelling Bee. Alyssa B. came second and Holly S. came third.

Well done girls on your great effort and good luck to Chloe and Alyssa in the Premiers Spelling Competition.
