

# Stage 3 News

## HOMWORK

A reminder that we **do not** set weekly homework. Did you know that by reading 15 minutes everyday is one of the best ways to develop your child's learning.

\* Read for at least 20 minutes per night (Chapter Books)

\* Do extra research (Independently) on the Unit studies we are looking at in class

\* Maths - using cards students can practise one of the many maths strategies they know. (These include Partitioning, Power of 10 Table method, Distributive properties and preferred multiples just to name a few)

**\*Writing challenge:** There is a new writing challenge on Google Docs for you to do this week. Get involved and give it a go!

The code is the same: **sk58p8f**

Problem Solving Challenge code is: **bq6f80p**

## YEAR 6 – END OF YEAR **\*\*Still waiting on photos\*\***

**HURRY!  
HURRY!  
HURRY!**

Reminder to Year 6 students **ONLY** please **send 3** photos that we are able to use at the end of the year in a slideshow. Without the photos we are unable to include your child in the End of Year Presentation. We would like to have a photo of each student when they were a baby or toddler, in kindergarten and a more recent one.

You can send in photos for teacher's to scan or the photos can be sent in on a USB (clearly labelled). The ladies at the front office may assist you in scan your photos.

Remember these photos will be collated for a slideshow containing everyone from Year 6 and will be played during a whole school assembly.

Please try to choose photos that are just of your child and that it is a photo the child likes and approves of.

Please send in ASAP as will be starting to arrange photos.

## RESPECTING EQUIPMENT

Our school has spent a great deal of money on the Infinity computers for Stage 3. Students have been reminded that they need to be looked after. We have already had a cracked screen, scratched pens and keyboard buttons coming off and students need to know that these computers will need to be handed over to next year's Stage 3 group.

## YEAR 6 SIGNATURE PRODUCTS

There is a note going home on Thursday, 21<sup>st</sup> September in regards to purchasing signable products for Year 6 students.

If you wish to purchase one of these, money needs to be in no later than Tuesday, 24<sup>th</sup> October (Term 4).

Prices start at \$11 - \$14. Products will be on display in the front office.
