### Stage 3 Parents

All of our Stage 3 students will be given an Infinity Laptop to use for the year. The computer will be assigned to the students and it will be their responsibility to look after it. The laptop will be for school use only and be used in a variety of daily class activities. It will also begin to further prepare students for High School where the expectation will be that they bring and look after their own device.

This year we are asking parents to pay a \$50.00 refundable deposit. This CASH deposit is to be placed in an envelope, labelled with INFINITY DEPOSIT, the student's name and class and placed at the front office. Deposits will be returned to parents at the end of the year when the Laptop is returned. Of course, any repairs or breakages will mean that deposits will be forfeited.

As soon as deposits are sent in students will receive their Infinities.

Any questions or concerns please contact Mr Woolard.

Thank you
